

Maybe

Miggs

Babe, I just don't know
What you want from me, to stay or to go
You need company or someone to shove
Well at least it's me, pathetic I know
She says I'm falling in and out, I'm falling in and out, falling in and out
Of love with you, sorry...Maybe, this time we'll fall into place
Maybe, I won't do something to fall from your grace
Baby, watch me crawl
There's nothing beneath me now, nothing at all
And I'm too stupid, yes, to concede
Make me beg for it, I've had worse than this
But I won't let you down, no I won't let you down, I won't let you down
I'm trying to get through to you....If you're going to fuck me, at least can we kiss?
Cause ain't nobody I know ever going to put up with your shit
Not like this
Babe, how can it be?
That while you're stabbing you want my sympathy
While you're trashing me you're asking for love
Spreading your disease isn't enough?
But I won't let you go, no I won't let you go, I won't let you go as long as
I'm breathing
But I won't let you go, no I won't let you go, I won't let you go
As long as you're breathing...
