We Used To

Dolly Parton

(Dolly Parton)Mmm....
We used to walk through fields of green
We used to sit by clear blue streams
We used to be so happy
Me and youWe used to do such silly things
We used to make love in the rain
We used to
Yes, we used toThen you went away
Leaving me with the memories we made
Memories of those sweet yesterdays
Spent with you
Spent with youAnd even though you're gone
I still think so often of you
And the things that we no longer do
Like we used to
Oh we used toWe used to be so much in love
We used to kiss and hold and touch
We used to find so many things to doWe used to laugh and plan and dream
We used to own the world it seemed
We used to
Yes we used toThen you went away
Leaving me with the memories we made
Memories of those sweet yesterdays
Spent with you
Spent with youOh and even though you're gone
I still think so often of you
And the things that we no longer do
Like we used to
Oh we used toLa...mmm....
Ahh....
