

We Used To

Dolly Parton

(Dolly Parton)Mmm....

We used to walk through fields of green

We used to sit by clear blue streams

We used to be so happy

Me and youWe used to do such silly things

We used to make love in the rain

We used to

Yes, we used toThen you went away

Leaving me with the memories we made

Memories of those sweet yesterdays

Spent with you

Spent with youAnd even though you're gone

I still think so often of you

And the things that we no longer do

Like we used to

Oh we used toWe used to be so much in love

We used to kiss and hold and touch

We used to find so many things to doWe used to laugh and plan and dream

We used to own the world it seemed

We used to

Yes we used toThen you went away

Leaving me with the memories we made

Memories of those sweet yesterdays

Spent with you

Spent with youOh and even though you're gone

I still think so often of you

And the things that we no longer do

Like we used to

Oh we used toLa...mmm....

Ahh....
