I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freakI can, I can be a freak, every day of every week.
This is something that I love, listen I'm about to teach
Every single girl should embrace their inner freaky freak.
Don't be scared, don't be shy, yes you gotta let it be.
I can give instructions if ya like to, like to hear me speak.Let me see those hand cuffs off
Let me see that leather gear
Kiss him, slap him, pull his hair
Make him yo bitch in here
He wanna see you get down low
He wanna hear you, hear you go
I can be a freak, every day of every weekHow ever do you want it (How ever)
How ever do you need it (Do you need me)
How ever do you want it (How)
How ever do you need it (Do you need me)
How ever do you want it (How ever)
How ever do you need it (Do you need me)
How ever do you want it
How ever do you, I can be a, I can be a,I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
I can, I can be a freak
Every day of every weekF, R, E, A, K
Let me be yo freak (OKAY)

I'll pitch yo tent with a XL magnum under cover
She know the deal

Ass look better in a 9 inch heel
One left in my room

Hand full of chicks

Freak to the bone
Even if ya mom home im beatin' still
Killed them chicks
When I see you in the club
Better write yo will
Approach with caution
Careful how you handle my drill
