# Picture Possible

## Breaking Pangaea

Still afraid
Still without you now
Unaware
But without a doubt
I waiting
I losing sleep
And soon enough it gonna bring me down
But I want to be over you
I want to be over, over you
But it takes more and I willing to give you whatever it is
If we take this time now, we can kill this hope
But then again Ie gotta know
Can you picture possible anything at all
Can you picture anything with anyone but me
What do you think I waiting for
Do you still believe
Me with you
Me with youCause I want to be over you
