

# U See

## Daddy DJ

### Verse 1

Thinking of what we lived together  
Of all the things I gave  
You said our love would last forever  
And by the time you left me I was like your slave

The love I gave you, had driven me so blind  
I was just a doll you played with like a child  
And now that you`re gone, now that you broke our affair  
Don`t count on me to look for you everywhere

### Chorus

You see

Without you Baby, I feel so happy  
You see

And for the first time in my life, I feel like I can be me

### Verse 2

I trashed my memories of you  
Deep in a distant past  
I moved along exactly as one do  
When blues is tracking you down , you better run fast

I tried to gather the ruins of my life  
To get the pieces you cut and torn apart  
So if you call me and if I`m not here  
Don`t leave no message nor your number  
`Cause you`re cleared

Chorus x2
