

What Would I Do Without You

[Ray Charles](#)

Don't deceive me
Please don't leave me
What would I do without you to see me through? If you leave me, then you grieve me
What would I do without you to see me through? What would I do?
Say, I wanna know
What would I do?
Where would I go? How you please me
When you squeeze me
What would I do without you to see me through?
