

Honeymoon in San Francisco

of Montreal

Honeymoon in San Francisco, what a grand idea
We'll rent a room in a four-star hotel
We'll spend the whole time drunk on champagne and lime
We'll never feel the need to get out of bed

Though on occasion we'll charter a boat
Sail off to a distant island
Once there we'll take off our shoes
And relax beneath the sun

We won't care if we lose our minds
We won't care if we live or die
We'll spend the whole time drunk on champagne and lime
We won't care if we lose our minds
