

Twinkle

Erykah Badu

They don't know their language
They don't know their God
They take what their given
Even when it feels Odd
They say their grandfathers and grandmothers work hard for nothing
And we still in this ghetto
So they end up in prisons
They end up in blood They keep us uneducated
Sick and depressed
(They end up in blood)
Doctor I'm addicted now
I'm under arrest
(They end up in blood)
We makin' mo' money than a muthafucka
(They end up in blood)
With no choices there's no hope for us
(They end up in blood) Started with a rhyme from old ancient times
Decedents of warlocks
Witches with I'll glitches
Children of the matrix be hittin' them car switches
Seen some Virgin Virgos hanging out with Venus bitches
Started with a rhyme from old ancient times
Decedents of warlocks
Witches with I'll glitches
Children of the matrix be hittin' them car switches
Seen some Virgin Virgos hanging out with Venus bitches
Started with a rhyme from old ancient times
Decedents of warlocks
Witches with I'll glitches
Children of the matrix be hittin' them car switches
Seen some Virgin Virgos hanging out with Venus bitches 'Cause they don't know their language
They don't know their God
They take what their given
Even when it feels odd

They say their grandfathers and grandmothers work hard for nothing

And we still in this ghetto

So they end up in prisons

They end up in blood They keep us uneducated

Sick and depressed

(They end up in blood)

Doctor I'm addicted now

I'm under arrest

(They end up in blood)

We makin' mo' money than a muthafucka

(They end up in blood)

With no choices there's no hope for us

(They end up in blood) They keep us uneducated

Sick and depressed

(They end up in blood)

Doctor I'm addicted now

I'm under arrest

(They end up in blood)

We makin' mo' money than a muthafucka

(They end up in blood)

With no choices there's no hope for us

(They end up in blood)
