

# Wait a Minute Girl

## The Newday

Wait a minute,  
Wait a minute,  
Wait a minute,  
Wait a minute girl  
Before you walk out that door  
Oh girl

Why don't you wait a minute,  
Wait a minute,  
Wait a minute,  
Wait a minute girl  
Don't do me like you did before  
Oh no

Simple lust  
The reason for you leaving  
Cause greater love is always so deceiving

What are you thinking of  
Thinking of  
Thinking of  
Thinking of girl  
Before you make up your mind

Thinking it over  
Thinking it over  
Thinking it over  
Thinking it over girl  
A love like mine is hard to find

Now one mistake  
Can always be corrected  
If we all wait  
Our love can be protected  
Is it because we had a spat or two?  
Oh don't you you know  
Love grows deeper when you do

Turn it over, over, over  
Turn it over

Running through your brain  
I stated my case so plain

Sure we had some happy days  
To be expect can make love taste  
We can go our separate way  
Two wrongs don't make it right  
No matter what you think  
I'm not obsessed with someone new  
I just feel the need  
For the rest of our love is true

Wait a minute,  
Wait a minute  
Why don't you wait a minute girl
