# M'aidez

## Sneaker Pimps

M'aidez, throwaways
Some things here have got to stay
A string of pearls, the strangest girl is
Happy with the Western worldPainless Chinese burns
Ties me down with daisy chains
Diamonds on her tongue
And pleasure cuts and teasingM'aidez, this is no m'aidez
Open charms are lost on velvet
Maybe this is no m'aidez, m'aidezDead zones and half-way homes
Still life lived on mobile phones
But the girl had wings and precious things
Under sheets with tangled limbsWide awake at dawn
The sun will choose to shine on
Silence says it all
Reaching out and blessingM'aidez, this is no m'aidez
Open charms are lost on velvet
Maybe this is no m'aidez, m'aidezM'aidez, this is no m'aidez
Open charms are lost on velvet
Maybe this is no m'aidez, m'aidezThe higher we climb, the smaller we seem
Mad with possibilities
No design, a zigzag girl is
Happy with the Western worldPainless Chinese burns
Ties me down with daisy chains
Diamonds on her tongue
And pleasure cuts and teasingM'aidez, this is no m'aidez
Open charms are lost on velvet
Maybe this is no m'aidez, m'aidezM'aidez, this is no m'aidez
Open charms are lost on velvet
Maybe this is no m'aidez, m'aidezM'aidez, M'aidez
M'aidez, M'aidez
