

# M'aidez

## Sneaker Pimps

M'aidez, throwaways  
Some things here have got to stay  
A string of pearls, the strangest girl is  
Happy with the Western worldPainless Chinese burns  
Ties me down with daisy chains  
Diamonds on her tongue  
And pleasure cuts and teasingM'aidez, this is no m'aidez  
Open charms are lost on velvet  
Maybe this is no m'aidez, m'aidezDead zones and half-way homes  
Still life lived on mobile phones  
But the girl had wings and precious things  
Under sheets with tangled limbsWide awake at dawn  
The sun will choose to shine on  
Silence says it all  
Reaching out and blessingM'aidez, this is no m'aidez  
Open charms are lost on velvet  
Maybe this is no m'aidez, m'aidezM'aidez, this is no m'aidez  
Open charms are lost on velvet  
Maybe this is no m'aidez, m'aidezThe higher we climb, the smaller we seem  
Mad with possibilities  
No design, a zigzag girl is  
Happy with the Western worldPainless Chinese burns  
Ties me down with daisy chains  
Diamonds on her tongue  
And pleasure cuts and teasingM'aidez, this is no m'aidez  
Open charms are lost on velvet  
Maybe this is no m'aidez, m'aidezM'aidez, this is no m'aidez  
Open charms are lost on velvet  
Maybe this is no m'aidez, m'aidezM'aidez, M'aidez  
M'aidez, M'aidez
