

Girl I Got You

Young Money

[Lil' Chuckee intro]Nothing make a man feel better than his lady
[Lil' Twist intro]'Cause girl I got you
[Lil' Chuckee (Lil' Twist) chorus]I know I'm always gone and I'm hardly never home
Don't worry 'bout nothing (Baby girl I got you)
When I touch back down I'ma buy you everything
You ain't gotta work for nothing ('Cause girl I got you)
Don't worry what your friends say
'Cause they be hating anyway
They mad when I tell ya (Baby girl I got you) haa
It's just me and you against the world
Baby girl I know you got my back ('Cause girl I got you)
[Lil' Twist verse]As I was walking by
I seen you standing there with a smile
Looking shy caught my eye
Thought you wanna hang a while
I'm 15 on the beat and I ain't cruising highways
So baby let's get away
Save the troubles for another day haa
German Escapade in the 'Lac
Wit' Escalade on the back
Ya homies wack I promise that
It ain't tricking if you got it
Might as well spend a stack
I hit the mall and ball down
Call me young Steven Jackson
And I'm the one

And I won with no games played
Never have to work in our life babe we got it made
Every days a vacay in Miami like Dade
And we ain't never clean up
'Cause baby I got maids haa
Young Money we so paid
And if you ever get hurt baby I'm ya Band-Aid ha
While I'm lookin' at you
Never worry 'bout nothing 'cause girl I got you
[Chorus][Lil' Chuckee verse 2]
Shawty I'm here any time that you need me
Fa sheezy I'm here to make ya life, easy

They say to every good dude there's a good lady
And I have mine already
Ain't no need to keep lookin'
And when I'm on the road you go to my house
And walk my bulldog and help my mums out
And play with my sister you know I love that
That's why whatever you want I'ma cop that
I'm your Rashad, you my New New
I'm ya Will Smith, baby you my Jada Pooh
And when I'm in the studio you come chill wit' me
Play around with my hair
You keep me motivated
If we had a team
I'd be Reggie Bush you'd be Kim Kardashian
Your body so amazing
And when I'm not witcha
I'm on my iPod bumpin' "Forever My Lady" I love ya
[Chorus X2]
