

Imaginary Girl (Acoustic Version)

The New Velvet

I walked the streets of
Another town
In search of someone
I've only dreamed of
Paint a picture
Of you and me
The way I see us
When I am sleeping
So hold on Come on keep me close
Keep me inside this dream
I know I made you up but
You're the love of me
I could even go to the end of the world
And still I'll never find an imaginary girl
When I wake up without you
I wish somehow that I could make you real
Imaginary Gi-i-i-rl
Imaginary Gi-i-i-rl I steal the biggest
Seas to try and
Feel the breeze of an empty ocean
I've been told that
No one's perfect
But in my head I
See you like that
So hold on Come on keep me close
Keep me inside this dream
I know I made you up but
You're the love of me
I could even go to the end of the world
And still I'll never find an imaginary girl
When I wake up without you
I wish somehow that I could make you real
Imaginary Gi-i-i-rl
Imaginary Gi-i-i-rl I tried to be with someone else
There's nothing like the way I felt I love you
Wherever you are
This dream keeps on happening
The way you speak
The way we sing

Surrounds me
Whoever you are Come on keep me close
Keep me inside this dream
I know I made you up but
You're the love of me
I could even go to the end of the world
And still I'll never find my imaginary girl
When I wake up without you
I wish somehow that I could make you real
When I wake up without you
I wish somehow that I could make you real
Imaginary Gi-i-i-rl
Imaginary Gi-i-i-rl
