Eddie Hodges

I go for coffee - yeah, yeah, yeah, yeah  
You go for coffee - whoa, whoa, whoa, whoa  
We both go for coffee  
So let's beMugmates - yeah, yeah, yeah, yeah  
Mugmates - whoa, whoa, whoa, whoa  
Mugmates  
Means we're going togetherOh, the newest craze in the teenage world  
Is a mug marked "his" and "hers"  
So my darling, meet me in the coffee shop  
And we'll do what everyone does  
We'll both beMugmates - yeah, yeah, yeah, yeah  
Mugmates - whoa, whoa, whoa, whoa  
Mugmates  
Means we're going together'Stead of carving our initials on an old oak tree  
I've got a better plan  
We'll use two coffee mugs - one for you, one for me  
I know you'll understand  
That'll make usMugmates - yeah, yeah, yeah, yeah  
Mugmates - whoa, whoa, whoa, whoa  
Mugmates  
Means we're going togetherPaint a couple of hearts on two coffee mugs  
It's so much fun!  
Hang 'em on the wall, side by side  
The two hearts become one  
So let's beMugmates - yeah, yeah, yeah, yeah  
Mugmates - whoa, whoa, whoa, whoa  
Mugmates  
Means we're in loveYeah, yeah, yeah, yeah  
Mugmates - whoa, whoa, whoa, whoa  
Mugmates  
Means we're in loveYeah, yeah, yeah, yeah  
Mugmates - whoa, whoa, whoa, whoa  
Mugmates...
