Fun

Sly & The Family Stone

Fun
When I party, I party hearty
Fun is on my mind

Fun
Put a smile on your face
Leave that bummer behind

Fun
There's a sister and there's a brother
Havin' fun with each other

Fun
Daddy always hangs up the boys
He just wants to party with mother

A private thought cannot be bought
But you know what you have to do
Socketh unto others
As you would have them socketh to you

Fun
When I party, I party hearty
Fun is on my mind

Fun
Put a smile on your face
Leave that bummer behind

Fun
There's a sister and there's a brother
Havin' fun with each other

Fun
Daddy always hangs up the boys
He just wants to party with mother

Fun

When I party, I party hearty

Fun is on my mind
Put a smile on your face
Leave that bummer behind
