Think Again

Blood Stands Still

Everybody's right. Evrything I've done is wrong. You know I tried to keep it short. I know it took too fucking long. Too much has been said. You think it fucked my head?
(Chorus)
Think again.
Ignorance, it set your standards. Intelligence, that don't work in your brain. You're an adult, so you act like a child. Don't even try to explain. This stupid shit, it's been done. You think you're the only one?
(Chorus)
A hand to your mouth, a performing yawn. I guess you know what the fuck is going on. You're on the top, you're on the ball. You think you've seen it all?
(Chorus)
Before you take another crap and slap yourself on the back. Before you tell me what you heard and sum it up in one word. Before you start talking shit. Before you throw another fit.
(Chorus)
