

Nobodys

Nobodys

We're nobodys and we don't care.
We don't change our underwear.
We don't like to wash our hair.
We don't talk to girls cause we don't dare. We're nobodys and we don't care what you think.
We're nobodys and we don't care if we stink.
We're nobodys and we don't care what you think.
We're nobodys and we don't care if we stink. We're nobodys, we don't give a fuck.
We don't care if you think we suck.
Looks like we're just down on our luck.
We do a lot of talking, but we don't say much. We're nobodys and we don't care what you think.
We're nobodys and we don't care if we stink.
We're nobodys and we don't care what you think.
We're nobodys and we don't care if we stink. We're nobodys, don't care what you say.
We'll knock you down if you get in our way.
We like to buttfuck, but we ain't gay.
We hang out with whores, but we don't pay. We're nobodys and we don't care what you think.
We're nobodys and we don't care if we stink.
We're nobodys and we don't care what you think.
We're nobodys and we don't care if we stink.
