Say I

Saukrates

This is this is this is hot, you like this
You are now witnessing the fliest shit in the world
I can't think of nothing else to say
Christina Milian, Cool and Dre, come on
I got the urge to scream out
Pull out the vert, let's be out
And I dunno about you
But I'ma get it poppin' like I'm supposed to do
Don't hold ya breath girls, breathe out
Sweat out ya perm, pull your weave out
And tell the world it's time that we gonna be heard
We gonna scream out loud, say
I'ma make it happen, I'ma make a way
If you got somethin' to prove
And you feel the same way
Say I, I
I'ma keep it gangsta, I'ma make it hot
If you feelin' like I do
Then people throw ya hands up and
Say I, I
You wanna dance then get down
You tryin' chill then sit down
Do what you wanna to do
Don't let nobody tell you what ya supposed to do
You on the corner, you grindin' tryin' duck the feds
You don't wanna do no time, man
I know you feel it's rough and if you with me people
Lemme see your hands up and say
I'ma make it happen, I'ma make a way
If you got somethin' to prove
And you feel the same way
Say I, I
I'ma keep it gangsta, I'ma make it hot
If you feelin' like I do
Then people throw ya hands up and
Say I, I
My nephew getting older and starting to talk
Now my mom's got sick and she can't walk
No high school diploma but I know math

Ain't write one song and she still want half
Dead beat dad is what the media say
Best father in the world is what my son will say
Won't stop 'til you broke, that's what his mom's going to say
But hey done the type of game she play
The media talk so bad about me
The streets doing so bad without me
Can't ban the snowman
This is thug motivation it's just part of the program
The first day of class and all you
Gotta do is stack cash to pass
Don't mind me I'm just thinking out loud
Purple haze got my head in the clouds
Get into it let's just face it
We can do it if we try
We can make it if we try, make it if we try
Ain't nothin' to it let's just take it
We can make it if we try, say oh
Let's just do it we can make it
I know we'll make it if we try, say oh
Whoa
I'ma make it happen, I'ma make a way
If you got somethin' to prove
And you feel the same way
Say I, I
I'ma keep it gangsta, I'ma make it hot
If you feelin' like I do
Then people throw ya hands up and
Say I, I
Get into it let's just face it
We can do it if we try
Ain't nothin' to it let's just take it
We can make it if we try
I'ma make it happen, I'ma make a way
If you got somethin' to prove
And you feel the same way
Say I, I
