## Snow (Hey Oh)

## **Red Hot Chili Peppers**

Come to decide that the things that I tried

Were in my life just to get high on

When I sit alone come get a little known

But I need more than myself this timeStep from the road to the sea to the sky

And I do believe it, that we rely on

When I lay it on come get to play it on

All my life to sacrificeHey oh, listen what I say oh, I got your

Hey oh, now listen what I say ohWhen will I know that I really can't go

To the well once more time to decide on

When it's killing me, when will I really see

All that I need to look inside? Come to believe that I better not leave

Before I get my chance to ride

When it's killing me, what do I really need?

All that I need to look insideHey oh, listen what I say oh, come back and

Hey oh, look at what I say oh The more I see the less I know

The more I like to let it go

Hey oh, whoa oh whoaDeep beneath the cover of another perfect wonder

Where it's so white as snow

Privately divided by a world so undecided

And there's nowhere to goIn between the cover of another perfect wonder

And it's so white as snow

Running through the field

Where all my tracks will be concealed

And there's nowhere to go, ho! When to descend to amend for a friend

All the channels that have broken down

Now you bring it up, I'm gonna ring it up

Just to hear you sing it outStep from the road to the sea to the sky

And I do believe what we rely on

When I lay it on, come get to play it on

All my life to sacrificeHey oh, listen what I say oh, I got your

Hey oh, listen what I say oh The more I see the less I know

The more I'd like to let it go

Hey oh, whoa oh whoa oh whoaDeep beneath the cover of another perfect wonder

Where it's so white as snow

Privately divided by a world so undecided

And there's nowhere to goIn between the cover of another perfect wonder

Where it's so white as snow

Running through the field

Where all my tracks will be concealed

And there's nowhere to goI said hey hey yeah, oh yeah
Tell my love now
Hey hey yeah, oh yeah
Tell my love nowDeep beneath the cover of another perfect wonder
Where it's so white as snow
Privately divided by a world so undecided
And there's nowhere to goDeep beneath the cover of another perfect wonder
Where it's so white as snow
Running through the field
Where all my tracks will be concealed
And there's nowhere to goI said hey oh yeah, oh yeah
Tell my love now
Hey hey yeah, oh yeah
