

# See What You Get

## Groove Armada

Life is a fight from the first rep to the final  
See what you get if you don't get it right  
Life is a fight from the first rep to the final  
See what you get if you don't get it right  
Life is a fightAsk [incomprehensible] drowning  
Your extinction creeps up when you're sleeping  
From the poles to the equator  
To take you when it least expect it  
It'll take you awayLife is a fight from the first rep to the final  
See what you get if you don't get it right  
Life is a fight from the first rep to the final  
See what you get if you don't get it rightLife is a fight from the first rep to the final  
See what you get if you don't get it right  
Life is a fight[Incomprehensible]  
The professors and nuns who deserve it  
Anyone who ain't like them  
Is on the TV again and againLife is a fight from the first rep to the final  
See what you get if you don't get it right  
Life is a fight from the first rep to the final  
See what you get if you don't get it right  
Life is a fight
