

Fairborn

Alice Peacock

You are gifted, you are golden
The veil is lifted from my eyes
Speak to me in words unspoken
And I no longer have to hide Now I know I'm going back to Fairborn
Now I know it's where I gotta' be
And the road I'm walking down
Goes on and on and on
And on and on in front of me In times of trouble, in times of worry
I am safe and I am sound
'Cause I have love to travel with me
And no fear to tie me down Now I know I'm going back to Boston
Now I know it's where I gotta' be
And the road I'm walking down
Goes on and on and on
And on and on in front of me When I was younger, I had a vision
I was a child with childlike faith
No analyzing, no indecision
Nothing standing in my way So now I'll go back to Minnesota
Now I'll go where I gotta' be
And the road I'm walking down
Goes on and on and on
And on and on in front of me
