# Only the Strong

## Cursa

It's time
It's time
Step on itWhat makes me think that it'll all work out in the end
Afraid to feel bad, better off to try and pretend
I'm immortal, immune to all that is wrong
Just keep on wishing, crossing my fingers so longIs this helping, I'm growing weaker each day
Can't stop whining, still afraid of what I might say
Or reactions that control us one and allIt's mine, it's pure and
As decent as I can make myself
Inside, we all know
Only the strong surviveWhy don't you think about that?
Why don't you think about that?So now I'm bleeding on myself, yes, once again
Seems I trusted another deceitful friend
My fault, I should've known the deal
Keep your friends close but your enemy's closer for realSeems easy but nothing could be so hard
Trying to guess life's dealing what's the next card
I'm surely folding, I don't like this hand at allIt's mine, it's pure and
As decent as I can make myself
Inside, we all know
Only the strong surviveKeep those eyes wide open
Here comes a blind side
Keep those eyes wide open
Here comes a blind sideKeep those eyes wide open
Here comes a blind side
Keep those eyes wide open
Here comes a blind sideKeep those eyes wide open
Here comes a blind side
Keep those eyes wide open
Here comes a blind sideKeep those eyes wide open
Here comes a blind side
Keep those eyes wide open
Here comes a blind sideMaybe things happen for a reason
And where in lies the answer
To overcome the grieving of life's unruly lessons
I'm handed in succession, it builds my pain
Which makes me strongIt's mine, it's pure and
As decent as I can make myself
Inside, we all know
Only the strong surviveWell, it's mine and it's pure and

As decent as I can make myself
Inside, we all know
Only the strong surviveWhy don't you think about that?
Why don't you think about this for a minute?
