Stronger

Myron Butler

Uh... I know they wasn't expecting this...
Uh... put your hands up...
Yeah... well...
Check it out we gon' flip it like this now...
Uh... what it is

Brother if it ain't one thing then its another
Instead of getting easier it harder to make it through the day
(It's, gon' be alright it's gon' be alright)
But God promised that days like this would come but He'd be with you
The good the bad Its all working for you in time the sun will shine again

[Chorus]
I'm stronger than I was before,
I'm better smiling so much more
I'm wiser now I know that I, I'm stronger
I'm stronger (yeah)

Sister you feel the pain is more than you can handle
And you wonder Lord how much longer will these dark nights last
But after the night is gon' be sunshine so much brighter
The heavy load it seems a little lighter you'll be alright and you'll say

[Chorus]

Every tear you cry
Every sleepless night
Every closed door was worth it and much more (worth it and much more) watch it make you grow oooo, grow

[Chorus]

Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh, yo

[Chorus]

Oh yeah, oh yeah

To everybody who thought the test was gon' take you out you thought you were going under, and that there was no help in sight on the other side of it you found out that... I'm stronger, I'm stronger
