Sick Mind

Quicksand

Allied in your lie
Allied in your lie
For the last time
I am alive in your lifeWhen you fall again
When you fall again
For betraying your friends
You said it was all out of my hands
But that was always your plan
Sick mind
You got a sick mind
Disastrous kind
Sick mindYou're gonna need help
To fix your treacherous self
Both loved and despised
You got a sick mindAllied in your lie
Allied in your lie
For the last time
I am alive in your life
Sick mind
You got a sick mind
You are both loved and despised
You got a sick mind
