Two Wrongs

flava flav

I'm just sittin' here playin' the guitar
City high
Claudette and 'Clef
Excuse me if you see me screamin' but deep in my mind
I'm only dreamin','cuz if I wake girl and you're
Not by my side, I feel like half of me
Is no longer alive so please, Shorty
Before you walk out that door, boopy
Would you listen to my song?
If only, I'd give you one last chance
(One last chance)
With the devil you can no longer dance
You've got to be faithful so we could be fruitful
Build a family and follow God's destiny
So just before I run to the block, papi
I might listen to your song
Ooh, before you walk out that door
Listen,
They say two wrongs don't make it right
(Don't make it right)
So if I'm wrong, I ain't tryin' to fight
I'm tryin' to have some dinner with some candlelight
Lay up in bed and make love all night
So papi I won't leave baby I'll just stay
But promise me that you'll do the same
Girl I'ma love you like I never loved you
Touch me like you never touched me
Girl if you give me the chance
Girl I'm gonna show you
Now baby, understand
That I forgive you
And, I ain't gonna forget
That you brought me everything
Baby, baby, baby, baby
But I have grown
From a thug to a man
Built my castle with bricks
And no longer with sand
And just, before I run to the block, baby

I might listen to your song
Ooh, before you walk out that door
Listen
They say two wrongs don't make it right
(Don't make it right)
So if I'm wrong, I ain't tryin' to fight
(And I don't want to try)
I'm tryin' to have some dinner with some candlelight
Lay up in bed and make love all night
So papi I won't leave baby I'll just stay
But promise me that you'll do the same
Girl I'ma love you like I never loved you
Touch me like you never touched me
Girl if you give me the chance
(I'm so used to the pain that I)
Girl I'm gonna show you
Can't see the sunshine no more
I'm so used to the pain that the
Car sickness feels like the cure
But if only you gave me
The keys to your soul and let me in
I'm gonna love you over
(Over)
And over again
(Over)
Yea, yea, yea
They say two wrongs don't make it right
(Don't make it right)
So if I'm wrong I ain't tryin' to fight
(I don't wanna fight)
I'm tryin' to have some dinner with some candlelight
Lay up in bed and make love all night
So papi I won't leave baby I'll just stay
But promise me that you'll do the same
Girl I'ma love you like I never loved you
Touch me like you never touched me
Girl if you give me the chance
Girl I'm gonna show you
(Show me yeah)
I ain't gonna stand on the block no more
I'm gonna come home early girl, I promise
