You Got Me Humpin'

Adina Howard

Oh oh oh
You got me humpin' day and night, oh baby
Oh oh oh
You got me humpin' day and night, oh baby
(When you go let me know, so come and check the flow)
Oh oh oh
(Comin' from the west, west coast)
You got me humpin' day and night, oh baby
(When you go let me know, so come and check the flow)
Oh oh oh
(Comin' from the west, west coast)
It's all about the dog in me
It's all about the freak in me
'Cause that's how we kick it on the west coast
And if it's love that you want
Then that's what I'll give
(That is, if you can handle it)
'Cause you know you got me humpin, yeah, yeah, yeah
LSD:
Hey girl, how ya doin'?
Damn, ya look fine
All I need is one chance
For me to make you mine
Plus I'll wine and dine
Even treat you right
And I give you what you want
All day and all night
'Cause, uh, it's plain to see
Ya need to be with me
A night with LSD is like pure ecstasy
So, yo, let me know how I can be down
'Cause I got what you need
When you humpin' around
Chorus:
You got me humpin' day and night, oh baby
(When you go let me know, so come and check the flow)
Oh oh oh
(Comin' from the west, west coast)
You got me humpin' day and night, oh baby

(When you go let me know, so come and check the flow)
Oh oh oh
(Comin' from the west, west coast)
Baby, it's on tonight
Everythang's gonna be alright
Just don't be afraid of me
See, I got what you want
You got what I need, babe
Ooh yeah, babe
So come and take a ride with me
Def Jeff:
Peeped her on the street
In the drop-top Beamer
Didn't have to ask her name
Her license plate said Adina
Cracked on the digits
Said she had a man
But gave me her beeper number
So I knew she was wit' it
Fly little honey with that west coast flavor
She told me to leave a 6-9 when I page her
That's a knee-deep
Freak of the week
I know it's all, word is bond
To the break of dawn
And I'm gone, baby
Chorus 'til fade
