

# Dirty Little Secret

[Sarah McLachlan](#)

If I had the chance, love  
I would not hesitate  
To tell you all the things I never said before  
Don't tell me it's too late  
'Cause I've relied on my illusions  
To keep me warm at night  
But I denied in my capacity to love  
I am willing to give up this fight  
I've been up all night drinking  
To drown my sorrow down  
Nothing seems to help me since you went away  
I'm so tired of this town  
Where every tongue is wagging  
When every back is turned  
Their telling secrets that should never be revealed

There's nothing to be gained from this but disaster  
Here's a good one  
Did you hear about my friend?  
He's embarrassed to be seen now  
Because we, oh no, be seen  
If I had the chance love  
You know I would not hesitate  
To tell you all the things I never said before  
Don't tell me it's too late  
'Cause I've relied on my illusions  
To keep me warm at night  
But I denied in my capacity to love  
I am willing, to give up this fight  
Oh, I am willing to give up this fight
