Glamrock Brothers

Yeah, this pimping stay open all night
Check this out, Jellyroll We do break hoes, we don't fuck with fake hoes
Yeah, we make hoes, strip down to their panty hose
Pop your whip, now grab that bitch, pimpin' Snoop ain't havin' it
Oh, you like pussy? Congratulations
I'm tryin' to get your ass in my congregations I keep three hoes in my room at one time
Two nickels and the other's a dime
You wouldn't wanna, keep a hood on her
When I'm dropping that motherfuckin' wood on her 'Cause I perform, I G like Warren
A nigga getting paid off shootin' porn
They call me, the black folks President
Snoop Hefner mixed with a little bit of Doggy Flynt Banging this parliament, come get a bar with this

And watch how fast you see a nigga boxers drop

You know, I got to bust a nut and hurry up and go You got something that I want, right now
Hurry up and let me put the black spot on the cow
Make the pussy ball up like salt to a snail
And when I kill it big daddy, I want you to tell 'Cause I don't give a damn when it come to freaking hoes
Call up forty hoes, and have a rolly peep show
And when you give me something, you gone want something back
This dick to your mouth, little mama like that Fish cost too much, so I feed her sardines
Man I'm the motherfucking MVP of the team
Cold game how a nigga steady spitting this shit
Make her mama jump back and say, "Bitch is a pimp" You got what I want, tell me if you want, just what I want
'Cause I got, what you need, baby, if you need some, get it from me
'Cause I got, what you want, I want you to want, just what I want
Just want, what I want, ooh, you got just what I want Love potion number nine, bitch, I got that antidote
Got a bigger dick that'll crack your spine
