

# (there's) Always Something There To Remind Me

**Dionne Warwick**

I walk along the city streets  
You used to walk along with me  
And every step I take  
Recalls how much in love we used to be  
Oh, how can I forget you?  
When there is always something there to remind me  
Always something there to remind me  
I was born to love you and I will never be free  
You'll always be a part of me, oh  
When shadows fall, I pass a small cafe  
Where we would dance at night  
And I can't help recalling  
How it felt to kiss and hold you tight  
Oh, how can I forget you?  
When there is always something there to remind me  
Always something there to remind me

I was born to love you and I will never be free  
You'll always be a part of me, oh oh  
If you should find you miss the sweet  
And tender love we used to share  
Just come back to the places  
Where we used to go and I'll be there  
Oh, how can I forget you?  
When there is always something there to remind me  
When there is always something there to remind me  
I was born to love you and I will never be free  
When there is, when there is  
When there is always something there to remind me  
Oh, always something there to remind me  
Oh, always something there to remind me  
There is always something there to remind me
