Forty Ways

Static-x

Drink all day, eye all day
Crush all day, grind always
Starting wars, seething whores
Closing doors, powerchords
Open wide, scratch your eye
Bite the sky, fallen lie
Noise all day, find a way
Kill the daze, forty ways to
Hold you down
Hold you down
Low all day, high all day
Disarray, violate
Pay to play everyday
Static ways, crystal days
Open wide, scratch your eye
Bite the sky, fallen lie
Noise all day, find a way
Kill the daze, forty ways to
Hold you down
Hold you down
Forty ways to
Hold you down
Hold you down
Open wide, scratch your eye
Bite the sky, fallen lie
Noise all day, find a way
Kill the daze, forty ways to
Hold you down
Hold you down
Forty ways to
Hold you down
Hold you down
