

Winter

Joshua Radin

I should know
Who I am by now
I walk
The record stands somehow
Thinking of winter Your name is the splinter inside me
While I wait And I remember the sound
Of your November downtown
And I remember the truth
A warm December with you
But I don't have to make this mistake
And I don't have to stay this way
If only I would wake The walk has all been cleared by now
Your voice is all I hear somehow
Calling out Winter Your voice is the splinter inside me
While I wait I remember the sound
Of your November downtown
And I remember the truth
A warm December with you
But I don't have to make this mistake
And I don't have to stay this way
If only I would wake I could have lost myself
In rough blue waters in your eyes
And I miss you still I remember the sound
Of your November downtown
And I remember the truth
A warm December with you
But I don't have to make this mistake
And I don't have to stay this way
If only I would wake
