Magic Hooligan

Slough Feg

As I'm swimming through the atmosphere
a discontent's always brimming
Passed the age where I can fantasize
and disbelieve that I'm living
Always scared of death, so take a healthy breathFantastic altitudes and platitudes
of attitudes that I'm giving
Sharpened senses tell me this may be
the end of peacefully living
Like a monogram tattooed on my skin
Black balled by the law, Magic Hooligan!
Now the seeds are sewn I've bounced right through
the atmosphere where I'm living
As the ancient ways all fade to grays
in power plays that they're giving
Like an atom bomb underneath my skin
Crawling in he dirt, Magic Hooligan!
So it seems I'm just a casualty of
shattered dreams but I'm grinning
