

Arnold and Willis and Mr. Drummond

Five Iron Frenzy

Straight from the ghetto streets of Harlem
came two brothers Willis and Arnold
black goldfish swims in the bowl
he's three feet high, four with the afro
stealing cookies from the cookie jar
droppin' water balloons on cars
I hope Mrs. Garret won't see
just play sick for Mohammed Ali
now the Gooch is coming
to steal milk money. Arnold, and Willis, and Mr. Drummond
and don't forget Kimberly
They just canceled Dukes of Hazard
Different Strokes is all I want to see. Way up high in the penthouse apartment
making us laugh its Willis and Arnold
Mr. Drummond's got the dough
they get to ride in a limo Different Strokes, its almost time.
We just watch 'cause Kimberly's fine.
half hour long it never fills us,
when he says, "What you talkin' 'bout Willis?".
write the cable company
Different strokes all the time.
