Cottage Roads

The Walters

I can never be a tough guy
I play my cards dry
It may be next time

Will you be mine?
We can make it only if we try
Sweet baby, you got the sweetest kisses alive
I'm not gonna argue
It's just something that I'm not willing to do
Take me home
Down cottage roads, yeah
cottage roads, yeah
cottage roads
Let's go fishing out on the lake
When it gets dark, I'll take you in and cook you baked
It's just something that I'm gonna do
to show you how much I really love you
I'll talk my dirty talk
I'll tell you secrets that noone else has heard of
I'll be the man, the man of your dreams
if you say yes and be the woman I need
Take me home
down cottage roads, yeah
cottage roads, yeah
cottage roads
da-da-da-da-da-da
