

Dust In the Wind

[Todd Rundgren](#)

Here we go Tell everyone that I am sorry, truly sorry
For all the wrongs, I've done
I never meant to hurt nobody
Lord, I never want to do no wrong And I have lied, I have begged and I have cheated
And I know my ship won't be coming in
As I lay me down to take my rest
I see that it's just dust in the wind Take hold my hand, hold it tighter, ever tighter
You must believe that I love you still
But my strength, it grows weaker, ever weaker
And my body has lost its will And I have lied, I have begged and I have cheated
And I know my ship won't be coming in
As I lay me down to take my rest
I see that it's just dust in the wind Oh my Lord, I have lost once again
And I got no one to help me find my way
But I never wanted to hurt nobody
And I never wanted to do no wrong And I have lied, I have begged and I have cheated
And I know my ship won't be coming in
As I lay me down to take my rest
I see that it's just dust in the wind Dust in the wind
