

# Again

## Eddie Higgins

This couldn't happen again  
This is that once in a lifetime  
    This is the thrill divine  
What's more, this never happened before  
    Though I have prayed for a lifetime  
    That such as you would suddenly be mine  
Mine to hold as I'm holding you now and yet never so near  
    Mine to have when the now and the here disappear  
        What matters, dear, for when  
        This doesn't happen again  
        We'll have this moment forever  
But never, never, againAgain, this couldn't happen again  
    This is that once in a lifetime  
        This is the thrill divine  
    What's more, this never happened before  
        Though I have prayed for a lifetime  
        That such as you would suddenly be mine  
Mine to hold as I'm holding you now and yet never so near  
    Mine to have when the now and the here disappear  
        What matters, dear, for when  
        This doesn't happen again  
        We'll have this moment forever
