

Feeling Sick

Mucky Pup

(Lyrics: C. Milnes, Music: J. Milnes)

Coptic times in his life,
can hear you say - nothing at all,
it happened at twentry,
a new man to fall,
Saturday's long,
can't remember at all,
feeling sick,
yesterday's a struggle,
no man where today?
a karmic disaster,
a mess yes he is.
