Winners Take All

Xxxxxxxxxx

Life's been good
Life's been bad
Now I know
What I had
Has taken it's toll on me

Yes we give
And we take
What we get
Is what we make
Believe that dreams come true

Life is crazy
We're not fools, no, no

The price is high
When you keep the score
Take your souls
And your goals
To the top

Together we stand
We won't take no more
Cause we're winners
And winners take all

Together we stand
We won't take no more
Cause we're winners
And winners take all

We have loved
Burned by fate
But for once
Set the record straight
Time does heal all wounds

You have laughed
We have cried
Paid our dues

Yes we're turned the tide
Mistakes are far and few

We need no guidance
Our aim is true

Down the road
There were many tolls
But we know
Cause we've grown
What we need

Together we stand
We won't take no more
Cause we're winners
And winners take all

Together we stand
We won't take no more
Cause we're winners
And winners take all

The price is high
When you keep the score
Take your souls
And your goals
To the top

Together we stand
We won't take no more
Cause we're winners
And winners take all

Together we stand
We won't take no more
Cause we're winners
And winners take all
