

# Girl Poison

## Angelspit

Publicly degrading a princess  
ashamed naked  
She's too young to be shaving  
at her prime, age 10  
full of Ritalin and codeine  
very sore unsatisfied  
silicon inject what's lacking  
Just to satisfy some sick f\*\*kThrow them meat and the dogs want more  
Pedi-sinister girl-next doorsleeping beauty  
ate the apple  
pumped full of image  
sweet as saccharine  
hansom princey  
artificial  
keeping her hammered  
with girl poisonSlashing away at a duchess  
pop trash disgust  
Sexy little decoration  
pin up girl, age 12  
pocket money spent on hot pants  
innocence stolen  
one more girl on an insect diet  
Just to satisfy some sick f\*\*kThrow them meat and the dogs want more  
Pedi-sinister girl-next doorsleeping beauty  
ate the apple  
pumped full of image  
sweet as saccharine  
hansom princey  
artificial  
keeping her hammered  
with girl poisonSelf doubt is an industry  
self harm is a best sellerso hot, so worth it  
evil, pure evilsleeping beauty  
ate the apple  
pumped full of image  
sweet as saccharine  
hansome princey  
artificial  
keeping her hammered

with girl poison
