

# Unforgiven

## Agnes

I never should've left you, I'll do anything to get you  
Back in my heart, back in my life now  
I thought my wish was granted when I saw you standing  
Waiting for me, waiting for me here Then when you came a little closer I see your anger isn't over  
I, oh I am sorry Unforgiven, unforgiven  
I'm unforgiven by you  
I was wrong, now I know that I just can't take it back  
I'm unforgiven by you By you, you, you, you  
By you, you, you, you  
By you, you, you, you  
By you  
Even if we want this, there's too much under this bridge  
Waiting for us, to destroy us here  
'Cause when you came a little closer I see your anger isn't over  
I, oh I am sorry Unforgiven, unforgiven  
I'm unforgiven by you  
I was wrong, now I know that I just can't take it back  
I'm unforgiven by you By you, you, you, you  
By you, you, you, you  
By you, you, you, you  
By you As hard as it is for me to admit  
The damage is done and I am the one  
The one...  
Unforgiven, unforgiven  
I'm unforgiven by you  
Unforgiven, unforgiven  
I'm unforgiven by you By you, you, you, you  
By you, you, you, you  
By you, you, you, you  
By you
