

Roulette

Katy Perry

I'm uptight
Playing by the rules in this game of life
365 days on the grind
Something's stirring, I might need to unwind
Then, there's you
Texting me a little bubble of trouble
I've tried to ignore these thoughts that rumble
I think I'm bored of being so carefulBig city lights
Got me flirting with fire
Tonight I'ma let my hair down
Have a few rounds and just let goLike roulette, o-o
Wanna close my eyes and roll it, with you
Like roulette, o-o
Wanna lose control and forget with you
Like roulette
Let's roll itThey say everything in moderation
And sometimes, you got to give in to temptation
So, I drop a pin to my location
Let's roll the diceBig city lights
Got me flirting with fire
Tonight I'ma let my hair down
Have a few rounds and just let goLike roulette, o-o
Wanna close my eyes and roll it, with you
Like roulette, o-o
Wanna lose control and forget with you
Like roulette
Let's roll it
Like roulette
(Let's roll it)So tonight, we test limits (test limits)
Take the safety off for a minute (for a minute)
'Cause my love's a bullet with your name written on it
Just load it and spin itLike roulette, o-o
Wanna close my eyes and roll it, with you
Like roulette, o-o
Wanna lose control and forget with you
Like roulette
Let's roll it
Like roulette
Wanna close my eyes and roll it, with you

(Like roulette)
