

Hell No

CHAPPO

You know you've caught my eye
I know its just a show
When will we meet again, meet again I don't know
You are a foxy siren
You are a fatal blow
get in my head again back again hell noAhhhhhhhhhhhhhhhh, noooooo, nooooooo
ahhhhhhhhhhhhhhhhh, noooooooIt's just a better feeling
its just better raw
when it gets waist deep, waist deep hell no
its just a new sensation, its just a southern blow
when will we meet again, meet again, meet again
I can't get it can't get it
Ahhhhhhhhhhhhhhhh, noooooo, nooooooo
ahhhhhhhhhhhhhhhhh, nooooooo
