More To A Kiss

Netta Brielle

You my motherf*ckingYou my motherf*cking and I wanna make love to youE e e e e e every time you put your lips on me I melt
You you you you you got that touch.can't another ni**a ever touch me like that no way in hell
'cause you are the one to love yeah
I get weak in the middle every time you kiss me on my neck I'm like damn
I start shaking and get crying, hit up so electrifying
I go dumb in the brain for a minute 'cause you just paralyze my bodyIt feels like uhh
There is more to a kiss
Then our lips touching yeah
I see fire work in God,
I see every day is more to a kiss
and when you touch me like this
I die once again
every time I feel, feeling
I I I I I I just wanna kiss you all throughout the day
Some-some-some-some-something so sweet make bi**h wanna shrip down to her feet
That shit so cray.
You got that honey love, yeah
You make my body tipsy, like I'm taking shots straight from your lips babe
I start shaking and get crying, hit up so electrifying,
I go dumb in the brain for a minute 'cause you just paralyze my bodyIt feels like uhh
There is more to a kiss
Then our lips touching yeah
I see fire work in God,
I see every day is more to a kiss
and when you touch me like this
I die once again
every time I feel, feeling
Baby kiss em tonight,
So I can dream about you and taste the caramel,
in my sleeping way then next to you
and get a good .that's how you.motherf*cking
I don't wanna make love to youThat's how you love and I wanna make love to you
you love motherf*ckin and I don't wanna make love to you
you love motherf*ckin and I don't wanna make love to youIt feels like uhh
There is more to a kiss
Then our ditches touching yeah yeah
I see fire work in God,
I see every day is more to a kiss

and when you touch me like this
I die once again
every time I feel, feeling.
