

Best I Ever Had

[Deryl Dodd](#)

Well hello there, when did you get back in town?
Pull up a chair, tell me why you look so down?
I'll order us some coffee, we can talk about old times
When the world still turned our way and you were mine Those years with you were the best I ever had
Just seeing you brought those precious memories back
And we had some good times and we had some bad
But the worst times with you were still the best I ever had Guess we should say goodbye, it's time to go
Didn't mean to make you cry, I just wanted you to know Those years with you were the best I ever had
Just seeing you brought those precious memories back
And we had some good times and we had some bad
But the worst times with you were still the best I ever had
