

To Fly

Killing Heidi

This has been so surreal
It's like a dream
Everything it's so shit, is what you meanI, cause I want to fly, to fly, to fly
I want to fly, to fly, to fly, to flyDeeper I go I find what to say
When I stop you were there
You're watching meI, cause I want to fly, to fly, to fly
I want to fly, to fly, to fly, to fly
And I feel it, now I feel it, now I feel it
I feel I feel I feel
Now I feel it, now I feel it...I feel I need I breathe I see
The pressure building up on me
And I need to leave
I'm waiting for the timeAnd I, I want to fly, to fly, to fly
I want to fly, to fly, to fly
And I feel it, and I feel it, yeah I feel it
I feel I feel I feel
Oh I feel it, yeah I feel, and I want to fly
To fly...
