Little Computer People

You sigh low tonight
You're so alone
You're so
You sigh low tonight
You're so alone
You're so
You're so low
You're so alone
You're so
You sigh low
You sigh low
You're so
(you're so)

you sigh low tonight
You're so alone
You're so
You sigh low tonight
You're so alone
You're so
You're so low
You're so alone
You're so
You sigh low
You sigh low
You're so
