

# Dreamcatcher

Kristinia DeBarge

See your face, time frozen  
Waking up is the hardest moment now  
When you're not around.  
Second hand, stuck emotion  
Missing minutes like the time was stolen out  
And was running out.  
Eyes closed, my hand search the air  
Something that's not thereChorus:  
And I, I need your help to catch my dream  
Cause every day without you seems  
Like it's slipping through my fingertips  
And I don't know what it means  
Cause every night when I'm alone,  
I dream about you coming home  
Won't you be my dreamcatcher?  
Oh dreamcatcher, catcher  
Oh dreamcatcher, catcher  
Oh dreamcatcher, catcher  
Won't you be my dreamcatcher?  
Oh dreamcatcher, catcher  
Oh dreamcatcher, catcher  
Oh dreamcatcher, catcher  
Won't be my dreamcatcher?Stone clouds, sky falling  
Alone now, but I hear you calling out  
I feel you close closer now  
Eyes closed, my hand search the air  
For once I'm not so scaredChorus:  
But now I, I need your help to catch my dream  
Cause every day without you seems  
Like it's slipping through my fingertips  
And I don't know what it means  
Cause every night when I'm alone,  
I dream about you coming home  
Won't you be my dreamcatcher?  
Oh dreamcatcher, catcher  
Oh dreamcatcher, catcher  
Oh dreamcatcher, catcher  
Won't you be my dreamcatcher?  
Oh dreamcatcher, catcher

Oh dreamcatcher, catcher  
Oh dreamcatcher, catcher  
Won't you be my dreamcatcher? As I stare into the sky  
I swear that I can see your eyes  
Staring back at me  
And I start to feel alive  
No matter where you are  
You got me through the dark  
and whenever i'm asleep Won't you be my dreamcatcher?  
Oh dreamcatcher, catcher  
Oh dreamcatcher, catcher  
Oh dreamcatcher, catcher  
Won't you be my dreamcatcher?  
Oh dreamcatcher, catcher  
Oh dreamcatcher, catcher  
Oh dreamcatcher, catcher  
Won't you be my dreamcatcher?
