Duke Gutta

Pump pump, pump pump, pump pump
Pump pump, pump pumpLet the motion of your body be the key
'Cuz we be the motherfucking G Funk family
Now, I'll play the G in this deadly game
Snoop Dogg is the name, Dogg Pound's the gameIf it ain't one thing it's a motherfucking 'nother
Word to my granny and my daddy and my mother
Whether standing on the corner or bouncing in the six-deuce
When I was locked up, I couldn't wait to get loose'Cuz back in the days, on the side where it's at
A nigga had to have a fat stack
And I was a fool, don't make me have to grab my strap
And go rat-tat-tat-tat, niggaSlap to a motherfucker face, he fall
Can't none of y'all niggaz see the Doggy Dogg
