Always Come Back To Your Love

Samantha Mumba

I've been up and down
Been going round and round
I've been all over town
But I'll never ever find somebody new for sureShow me where I belong tonight
Give me a reason to stay
No matter if I go left or right
I always come back to your loveI've been high and low
I don't know where to go
Because I love you so
And I'll never ever find someone like you for sureShow me where I belong tonight
Give me a reason to stay
No matter if I go left or right
I always come back to your love
No matter if I go left or right
I always come back to your loveShow me love tonight
I'm going left to right
No matter where I go
I always find your loveShow me where I belong tonight
Give me a reason to stay
No matter if I go left or right
I always come back to your loveShow me where I belong tonight
Give me a reason to stay
No matter if I go left or right
I always come back to your love
I always come back to your love
